**Phone:** **406/552-6290**  
**E-Mail:** **[twelsh@ci.missoula.mt.us](mailto:twelsh@ci.missoula.mt.us)**

**Police Seek Owners of Recovered Bicycles**

A couple of weeks ago, through investigative efforts and citizen involvement, the Missoula Police Department recovered a large number of stolen bicycles from a residence in northwest Missoula. If you have previously reported your bicycle stolen and would like to see if it is one of many that have been recovered, we invite you to contact our Volunteer Office at (406) 552-6311. If you have not previously made a report of your stolen bicycle, please do so by calling (406) 552-6300. You may also file a report online at the Missoula Police Department page of the City of Missoula website. We may have recovered your bike as well and will need to document the occurrence and the description of it prior to any release.

If you have not previously registered your bike with the City of Missoula, you may do so for free by following this link: <http://www.ci.missoula.mt.us/FormCenter/Development-Services-15/Bicycle-Registration-Form-182/?Mobile=ON>
