LEAF COLLECTION WRAPS UP IN AREAS 1 AND 4

During the week of Dec. 7, City leaf collection crews expect to finish their work in Areas 4 and 1 of the city. Monday will be the final day for Area 4, and the Rattlesnake neighborhood, Area 1, should wrap up by the end of the week, weather permitting.

All pickup plans are subject to change, depending on snowfall.

The beginning of leaf collection was delayed a week because the early freeze in mid-October disrupted the normal progression of fall foliage, and many leaves remained on the trees. Area 1 moved to the end of the schedule.

Notice of the area set for collection each week is posted on the City's Web site at www.ci.missoula.mt.us and in local news media every Friday.
