---

1. Introduction: Maddy Snook, a resident of Lewis & Clark Neighborhood, who came to talk about the new School reader board sign at Lewis & Clark School  
Roll Call: Terry Conner, Colleen Biehl, Eric Warren, Claire Battaglia, Kalina Pritchard
2. Presentation by Mike Sweet on PROST was tabled for February 2024.
3. November 1, 2023 Meeting Minutes were approved as posted.
4. Treasurer Report- Colleen Biehl
5. Items for Discussion
  - Playfair Concert – the organizer withdrew his application. Many people from the neighborhood attended a meeting concerning this and voiced their opposition to have the concert at Playfair.
  - Dead Wildlife in Neighborhood – PLEASE notify the Parks Department if an animal has died in a park. They will remove it.
  - Membership Positions – Kalina Pritchard talked about the members taking in different positions on the team to mix it up some. The newer members are considering what they can manage.
  - Neighborhood Survey- Claire Battaglia presented the priorities survey she has been working on. There were a suggestions for a comments space and a few clean up details. This will be sent out to emails we have and posted on our city site in the spring. Hopefully this will generate a more solid priority list for the neighborhood.
  - Spring Clean-up Day and planting at Bancroft Ponds – Colleen Biehl has contacted Sasha concerning the new planting in Bancroft. It will be either the Neighborhoods Cleanup Day on Saturday, April 27 or early May, Depending on the weather.
  - Scheduling Guest Speakers – Will have Mike Sweet in February and perhaps the Mayor in March.
6. Neighborhood City Forum Report –No meeting was held in November.
7. Office of the Neighborhood's Report: Kalina Pritchard announced that the Citizens' Academy will be From February though march a 7 week course. Call the office to reserve you space.
8. Public Comment: Maddy Snook came to the meeting to ask about the new reader boards that will be installed near the front sidewalk at Lewis & Clark School. She was concerned about light pollution and perhaps having the sign as a driving impairment. Not much can be done as the school is a county intity. Though we were all encouraged to send our insights to the school district or the school.
