January 21, 2025; 6pm

Fire Station 5, 6425 Lower Miller Creek Rd.

Present: Jack Walton, Alex Fregerio, Lee Boman, Jen Pfeiffer, Kalina Pritchard, Medora O'Connor

Meeting was called to order. Minutes of December 2024 were approved.

Lee stated that the manager of The Den, Dennis, was recommending a covered area in Brooke Lynn Park. Currently there is one picnic table there. This park is 1 acre, and is directly west of The Den. A group of mailboxes is on the sidewalk on the south edge of the park. Dennis has some fund-raising ideas to add improvements to the park.

Message Boards: We will definitely apply for a Grant from the City this year. Grant Application opens in September, closes the day before Thanksgiving 2025. Kalina stated North side West side Neighborhood is also interested in putting Message Boards in their parks. Currently the grant money totals \$20 K. A budget amendment is needed before the grant money total could be raised to \$35K.

Alex has contacted Bob Campbell, Stacie Anderson, Kevin Slovarp, and Monty to have a public meeting with information about the SID/CIP process for the Riverfront Trail Subdivision round-about. This public meeting would be held at JR School in February or March. (18 February to 15th March)

Miller Creek Neighborhood budget amount currently is \$1199 until June 30. On July 1st it will be \$1700.

Jack mentioned that the Shaver Drive round-about is completed to Lower Miller Creek.

Next Leadership meeting is February 18th @ 6pm, Fire Station #5.

Respectfully Submitted,
Medora O'Connor
