

## Parks and Recreation Public Service Announcement

For immediate release through October 30, 2010

For more information: Ben Carson, City Forester, 552-6270.

### Parks and Recreation Offers Free Firewood

The City of Missoula's Urban Forestry Division is offering free firewood to the public on Saturday, October 30, from 9 a.m. to 1 p.m. only, at the City's Northside storage lot (corner of Rodgers St. and Shakespeare St.)

The wood is harvested from hazardous tree removals and pruning efforts throughout the city. Firewood is pre-cut into rounds; you load it and haul it—no power tools, please. Wood species include cottonwood, maple, elm, pine, and others. Phone City Forester Ben Carson at 552-6270 for more information about the giveaway.

The City-County Health Department's Environmental Health Division provides information and assistance to woodstove and fireplace users. Residents are reminded to call the Air Quality Hotline at 258-3600 before burning for air quality updates and restrictions on stove or fireplace use. Learn more about burning cleanly and efficiently at: <http://www.co.missoula.mt.us/airquality/AirQualityTopics/WoodstovesAndFireplaces/index.htm> or phone 258-4755.
