PUBLIC MEETING

5th/6th/Arthur and Maurice Intersection Safety and Circulation Improvement Project

When: December 7, 6:30 p.m.

Where: University Center, Room 333

Come to a public meeting for an update on the planned improvements to the intersections of 5th and 6th Streets with Arthur and Maurice Avenues on Tuesday, Dec. 7, at 6:30 p.m. in Room 333 of the University Center. Staff members of the City of Missoula, The University of Montana, and the project engineers WGM Group will be on hand to present the project and hear from the public.

Proposed plans will be on display, and a presentation will be made at 7 p.m., followed by comments and questions and answers.

The University of Montana and the City of Missoula have worked together to design a project that will enhance pedestrian and bicycle travel and make navigation more convenient for drivers in the area. This project is a long-awaited step in improving safety and access at a major entrance to The University of Montana.

Additional contacts:

Jerry Ballas, Project Manager, The University of Montana, 243-5923
Mark Bancal, Project Engineer, WGM Group, 728-4611

The University of Montana is committed to providing access and reasonable accommodation in its services, programs, and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact us 48 hours in advance of this public meeting.
