([memo](#))—Regular Agenda (Dave Strohmaier) (Referred to committee: 12/06/10) **(HELD IN COMMITTEE)**

Dave Strohmaier introduced the proposed Social Host Ordinance. He pointed out changes that were made to the proposed ordinance since the last time that it was discussed in committee.

Mark Muir referred to a [document](#) provided to the committee from the Office of Juvenile Justice and Delinquency Prevention called Regulatory Strategies for Preventing Youth Access to Alcohol. Brent Gyuricza, Executive Director of the City Life Community Center voiced his support for the proposed ordinance. He provided examples illustrating the need to implement the proposed ordinance. He feels that the proposed ordinance will hold irresponsible parents accountable.

Gary Bakke cited incidents involving fraternities, and the illicit use of alcohol by individuals between the ages of 18 and 21.

Brandee Tyree asked if the committee's questions had been answered by Chief Muir.

Bob Jaffe responded that he still had questions regarding the evaluation of existing Social Host ordinances.

Brandee Tyree responded that there is no data available from existing Social Host ordinances in Montana. She did note that data from other communities around the Country indicate that these types of ordinances have been successful. She discussed best practices regarding this issue, including keg registration.

Trish Foster discussed a study conducted in California in communities with colleges. She described the decrease in occurrences of excessive drinking where tools such as the social host ordinance have been implemented.

Ed Childers asked Trish about specifics regarding the sampling size and specific locations used in the study.

Trish Foster provided some details.

Jon Wilkins related a personal incident regarding underage drinking. He emphasized diligence by parents. He expressed concern that the County cannot implement a similar ordinance. He indicated his support for House Bill 20 currently pending in the State Legislature.

Jim Nugent stated that MT County governments do not have the same authority to enact ordinances as cities do.

Dave Strohmaier commented on the definition of 'Social Host' as it relates to parents.

Renee Mitchell noted that under section 6a of the ordinance, the word 'certainly' could be removed. She noted that 'injury and death' should be added. She asked if she could introduce an amendment.

Dave Strohmaier indicated that he would find that acceptable.

Renee Mitchell provided a potential scenario that is not really addressed in the proposed ordinance that should be considered.

Bob Jaffe's primary objection to the proposed ordinance is the definition of the word 'knowledge'. He asked what constitutes 'knowledge'. He expressed concern how this could be applied to parents of children who are legal adults over the age of eighteen. He noted that 'knowledge' is not included in the section regarding prohibited acts.

Mark Muir discussed 'knowledge' as an element of a crime. It requires that a Police Officer establish probable cause that knowledge did exist. In a court of law, proof beyond a reasonable doubt would have to exist.

Jim Nugent discussed the issue of knowledge in regards to timeframes and prior conduct.

Pam Walzer expressed concern for the distinction between 'minor' and 'underage' persons. She feels that this needs to be addressed, as 'underage' persons are legal adults.

Jon Wilkins would like to see 'knowledge' changed to some other wording.

Dave Strohmaier clarified the definition of 'knowledge'.

Ed Childers highlighted the definition of 'fact' versus the definition of 'opinion'. He asked who is responsible for a minor, and when does the responsibility shift from the responsible party to the individual.

Jim Nugent clarified that the proposed ordinance addresses holding the person in control of the premises where facilitating or permitting underage drinking occurs.

Ed Childers discussed the issue of responsibility.

Jon Wilkins stated that he would like the proposed ordinance to be held in committee for further discussion.

Pam Walzer moved to hold a public hearing on the proposed ordinance for 2/28/2011.

Renee Mitchell stated that she would like the proposed ordinance to be held in committee for further discussion. She expressed her support for the proposed ordinance, but thinks that it needs more work before being presented to the public for comment.

Jon Wilkins would like to see how House Bill 20 currently pending in the State Legislature fares.

Ed Childers feels that the proposed ordinance to be held in committee for further discussion.

Pam Walzer withdrew the motion to hold a public hearing on the proposed ordinance for 2/28/2011.
