

The City of Missoula is requesting your input as it updates its Analysis of Impediments to Fair Housing Choice Study (AI). The purpose of the AI is to identify governmental, institutional, or social barriers to fair housing choice for people who are part of a protected class under federal, state and local laws. In Missoula, the protected classes include:

- Race
- Color
- National origin
- Religion
- Creed
- Political ideas
- Sex
- Marital status
- Age
- Disability (including the need for service animals and reasonable accommodations)
- Familial status (the presence of children under the age of 18)
- Sexual orientation, gender identity or gender expression

**Below is a link to a brief survey on fair housing choice in the City.** The purpose of the survey is to gather information to assist with the evaluation and assessment of the status of fair housing choice within the City of Missoula. The information gathered through the surveys will be used in the preparation of the AI.

We value your assistance and opinion, and appreciate you spending a few minutes to give us feedback and information.
