b. FVIES class filming

Request to record victims for a segment for perpetrators to review to pass a required class for domestic and sexual violence. Joel Baird said he would contact Shantelle Gaynor.

5. New Business

a. Discuss the Recent Franchise Renewal Peg Access Outcomes Document

Currently the Buske Group is digesting the data they collected. It was noted that they didn't have enough people respond for a city of our size. The next step is to have concordance among the players with the rebranding process. The lawyer for the city will have to elect to renew the agreement or decide what information to fight for. The Buske Group will put the needs assessment into a report and give a presentation to city council in July.

b. Follow-up on Checklist of Items to be Filmed

Megan Robson will work with Joel Baird to formalize a list of items to film. This will be a city affiliated list using city hours. They will then bring the list back to the commission to determine what items will be filmed.

6. Set agenda for next meeting

Respectfully submitted,  
Heidi Bakula,  
Executive Assistant
