

Public Art Meeting Minutes 8.12.14 / 3:30 PM / Jack Reidey Room

PAC Committee Members Present: Marilyn Marler, Kia Lyszak, Taag Peterson, Kathi Olson, and Peter Lambros. Guests Present: Dave Chrisman with the University Neighborhood Council, Bert Lindler with the Grant Creek Neighborhood Council.

Meeting called to order, to approve signal boxes and locations.

Dave Chrisman spoke of their process. Survey of 100 went out. Order of preference: Midnight Shenanigans / Flowers / Flicker / Music / Flood

Bert Lindler spoke: Primary concern is that it is bold and visible for high speed traffic.

Kathi stated the Traffic Signal Boxes sub-committee recommendations as follows:

ARTIST	TITLE	NEIGHBORHOOD / LOCATION
Lillian Nelson	Midnight Shenanigans	University: 6 th & Arthur (Neighborhood Grant)
Karl Stien	Flicker	University: Beckwith & Arthur (Neighborhood Grant)
Debbie Bell	Wild Blooms	Grant Creek: Reserve & Union Pacific (Neighborhood Grant)
Tanner Mullenix	Coloring Music	Grant Creek: Reserve & Expressway (Neighborhood Grant)
Courtney Blazon	1908 Flood	Downtown: Higgins & Pine or Higgins & Front (BID)

Each neighborhood gets two, and 5th goes downtown. Kathi said rather than Higgins & Main, that the Flood box be put at Higgins and Front, so the theme is further connected with a river-proximity location.

Marilyn made a motion to approve the aforementioned signal boxes and the aforementioned locations. Ted seconded the motion. Approval was unanimous.

Kathi discussed an artist reception Friday September 5th, 4:00PM at the Dana Gallery. Marilyn advised she'd speak/thank the artists on behalf of the

committee. Kathi will assist Marilyn with information.

Bert commented that during the process, that the website of Dave and Shelby was helpful with public involvement. Would like next time around to have a peoples' choice award, ie. \$150 / \$100 / \$50.. funds to come from grant proceeds. Feels this would honor public process.. Should be from amongst the finalists. Kathi suggested PAC take this up at our next meeting. Marilyn suggested having Jane and Jane's assistant from the neighborhood council? weigh in on this discussion.

Press Release: Marilyn will forward news of this round of signal boxes to Ginny Miriam for press release.

The meeting was adjourned.

Sincerely,

Peter Lambros
