II. Comments from Police Staff

Assistant Chief Mike Brady gave a department update including discussion regarding the budget for FY'10 that will require a reduction of 3.75%. This will primarily be done through attrition of positions resulting in the loss of our Street Crimes Unit and its supervisor. In addition, the Civilian Crime Analysis position will be eliminated.

A review of work comp injuries was done. In addition, there are four (4) officers have been activated for military service. The department is working with MMIA (workers' compensation insurance) to address the number of injuries and accidents.

A discussion regarding grants applied for and received on behalf of the department was discussed. These grants include an Underage Drinking Grant, a Justice Assistance Grant (JAG) that is part of the current administration's stimulus package, COPS Technology grant and Bulletproof Vest Partnership Grant.

The Uniform Patrol briefing room at the Street Department location is still being worked on.
