Program Category:	Project Title:		15 Project #	16 Project #	17 Project #
Street Improvements	Hillview Way Street Improvements		S-09	S-09	S-05

Description and justification of project and funding sources:

Hillview Way between Black Pine and 55th Street is currently a narrow rural section with no drainage structures, curbs or sidewalks. Improvements are mostly within this section but some improvements are north of Black Pine. Improvements also consist of a box culvert at Moose Can Gully for use by pedestrians and wildlife. Present and future development adjacent to this road section has increased the need for improvements.

Street Improvements	Hillview Way Street Improvements		S-09	S-09	

Hillview Way between Black Pine and 55th Street is currently a narrow rural section with no drainage structures, curbs or sidewalks. Improvements are mostly within this section but some improvements are north of Black Pine. Improvements also consist of a box culvert at Moose Can Gully for use by pedestrians and wildlife. Present and future development adjacent to this road section has increased the need for improvements.
