

Verizon Wireless offers all government employees benefits and discounts.

Government employees may receive the 15% employee discount on voice plans of \$34.99 and above and 20% discount on select data plans.

Just log onto [www.verizonwireless.com/getdiscounts](http://www.verizonwireless.com/getdiscounts) (at employee discounts add your email address) and register your corporate email address. You will get a confirmation email sent to your work email address within minutes (if not, have your IT Dept. push it to you through the firewall) to complete the process by clicking on "Register Your Line" and enter your name and cell number.

Then you may click on "Get Shopping" to upgrade equipment when eligible at Government pricing for phones and 25% discount on accessories. You may manage your account, research equipment/pricing and pay your bill on-line at [www.verizonwireless.com/myverizon](http://www.verizonwireless.com/myverizon).

For new customers, please visit any Verizon Wireless retail location to sign up for the government employee program WEMCA 559201.
