

**Department New Request Form  
Fiscal Year 2022**

<b>Program</b>	Public Safety	<b>Title of New Request:</b>	Rank:	11
<b>Department</b>	Fire			
<b>Request Category</b>	Service Module Change	Maintenance Training/Travel Increase		
<b>Request Rating</b>	Maintain Level of Service			
<b>Department Goal</b>	Ensure MFD Maintenance Division is able to obtain and maintain EVT Certifications			

**1. How will request assist in achieving Department Goal and benefit the customer?**

This request will ensure that the Maintenance Division will have a sufficient training and travel budget. EVT certifications are required to meet NFPA standards for maintenance, testing, and repair of emergency apparatus. This increase would allow our three mechanics/firefighters the ability to obtain and maintain EVT certification as well as stay current with ongoing changes in design and technology in emergency vehicles. If our maintenance personnel are adequately trained, certified, and meet NFPA standards we are better equipped to ensure less down time and reliable response ready apparatus.

**2. What specifically is needed to achieve this goal?**

We are requesting an increase of \$3,000 to our Maintenance training/travel budget.
