Summary Description and rationale of project and funding sources:							
<p>Replace the current outdated bathroom with a port-a-let shelter that would meet current standards for a spray deck (to include a changing station, outdoor shower/handwashing station, and infant changing table). This would also meet accessibility, safety and CPTED (Crime prevention through environmental design).</p>							
History & Current Status: Impact if Cancelled or Delayed							
<p>The existing bathroom is well past its useful lifespan, and poses maintenance challenges. It also does not meet current health standards for a spray deck, nor is it accessible.</p>
