Summary Description and rationale of project and funding sources:

Rebuild Missoula's most used Trailhead serving Missoula Open space lands, currently managed by Missoula Water. Add a parking lot, an accessible trail and interpretative education on site. FY20 600,000 was approved of which \$500,000 is currently available. In FY21 the City went under contract for design. Total current estimate for design and construction is \$733K.

History & Current Status: Impact if Cancelled or Delayed

Project is funded through a variety of mechanisms. If delayed the City could loose \$50k in state grant funds. This project will coincide with road construction of Minkler loop road (cost not included in this CIP). Project has been approved via the Open Space GO Bond and via City Council Resolution in November 2019.
