**Summary Description and rationale of project and funding sources:**

The stairways connecting thru-travel in the Dean Stone (formerly Mansion Heights) Subdivision are substandard and non-maintainable as-is. Phase 1 of this project was to determine a feasible and maintainable solution as well as a design and cost estimate to bring them to the desired condition. This phase has now been completed and the design(s) will be reviewed by the HOA and P&R to arrive at an agreeable approach to move forward. See OZ estimate for options to replace stairs at Mansion Heights.
