Summary Description and rationale of project and funding sources:

Asphalt sport courts (basketball, tennis) are failing at the following parks: Bonner, Marilyn, McLeod, Franklin, Skyview, Honeysuckle, Wapikia. A formal bid request closes on May 24 for replacing and expanding these courts. Basketball courts at Whitaker and Northside parks will be crack sealed and seal coated to extend their useful life as well. A potentially major challenge is contractor interest and availability. If no bids are received, the project will need to be rebid in fall of 2022 - either as a package or as individual projects. Previously approved funding is from Park District #1 fund balance and Park Impact Fees.

History & Current Status: Impact if Cancelled or Delayed

Many of the City's courts are well over 20 years old and are in poor condition and failing. Existing tennis court at Marilyn Park will remain closed until replaced. Cost for construction and materials continue to increase, especially projects that utilize oil based products like asphalt..
