Project Rating	Department		No	Yes			
Plan	Culture & Recreation		Is the project APPROVED for Fiscal Year 2024?			FUNDED?	

Summary Description and rationale of project and funding sources:

The recently acquired South Hills Spur (SHS) or Barmeyer property, is located in the Farviews Pattee Canyon Neighborhood and will eventually connect the south side of Missoula to Mt. Dean Stone open space. Impact fees were approved to develop appropriate trailheads, related trail signage, rehabilitate an old developer road, and to remove electrical service boxes on the property. In FY23 Park Impact Fee funding was used to improve the parking lot of the Barmeyer trailhead primarily through redesign and paving. In FY24 Park Impact Fee funds will be used to remove old and obsolete electrical boxes

History & Current Status: Impact if Cancelled or Delayed

In 2020, the road rehab project was completed by students from Missoula College's Heavy Equipment Program. We are waiting on a final access easement with adjacent property owners to determine scope and exact costs for removal of electrical boxes. We are also waiting on Missoula County to provide final design stand funds to use to pave the Barmeyer Trailhead. In FY 24, the City plans to expend remaining impact fees to remove obsolete electrical boxes on the property.
