Department Goal	Maintain services for victims and prosecutor support	# of FTE's in this request	1.75

1. How will request assist in achieving Department Goal and benefit the customer?

Continuation of victim services with full funding of two existing Victim Witness Coordinators (VWC) in the City Attorney's Office. Positions are assigned to Victim Services focusing on the offenses of Partner Family Member Assault (PFMA), sexual assault, stalking, violation of order of protection, and violations of no contact orders in PFMA cases. The VWC is a conduit for the exchange of information. The VWC has direct contact with victims and witnesses, prosecutors, defense attorneys, law enforcement personnel, court staff, and community-based advocates and service providers. The VWC assists in educating victims and witnesses about their role in the prosecution of a case; develop a relationship with victims to facilitate the exchange of information related to the prosecution of a case; and in conjunction with the prosecutor, to solicit and recognize the concerns of the victims and witnesses at different stages of the prosecution. Direct contact with victims increases the likelihood of victim cooperation with the prosecution and returns power to the victim to influence the way in which the offender is held accountable. The last fiscal year the VWCs were also tasked with tracking offender compliance after the Municipal Court stopped sharing non-compliance with the CAO.

2. What specifically is needed to achieve this goal?

This request is not for new positions. The request funds a 3/4 time VWC through the baseline and 1 FTE VWC through grant monies with a 20% local match that is already in the CAO baseline.
