**Short Title:**

**Please describe the request and community benefit**

*The extended operation of the homeless shelter, originally intended as a one-year solution, has led to several detrimental effects. Property crime rates in the surrounding area have risen significantly, burdening residents and businesses. Taxpayers now bear the financial strain of maintaining the shelter beyond its initial budget. Moreover, safety concerns have escalated due to the disposal of drug needles and condoms, preventing children from safely using local parks. The shelter is proposed to be funded using: Emergency Levy, Contributions from Msla Co., & ARPA.*
