

# Off-Duty Law Enforcement Actions

## **342.1 PURPOSE AND SCOPE**

This policy is intended to provide guidelines for officers of the Missoula Police Department with respect to taking law enforcement action while off-duty.

## **342.2 POLICY**

It is the policy of the Missoula Police Department that officers generally should not initiate law enforcement action while off-duty. Officers are not expected to place themselves in unreasonable peril and should first consider reporting and monitoring the activity. However, any officer who becomes aware of an incident or circumstance that the officer reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage or loss, may take reasonable action to minimize or eliminate the threat.

## **342.3 DECISION TO INTERVENE**

There is no legal requirement for off-duty officers to take law enforcement action. Officers should consider waiting for on-duty uniformed peace officers to arrive instead of immediately intervening and, while waiting, gather as much accurate intelligence as possible. However, if an officer decides to intervene, the officer must evaluate whether the action is necessary or desirable, and should take into consideration:

- (a) The potential to be misidentified by other peace officers.
- (b) The potential to be misidentified by members of the public, who may be armed or who may take action.
- (c) The tactical disadvantage of being alone and the possibility of multiple or hidden suspects.
- (d) Limited off-duty firearms capabilities and ammunition.
- (e) The inability to communicate with responding peace officers.
- (f) The lack of equipment, such as body armor, handcuffs or control devices.
- (g) Unfamiliarity with the surroundings, including escape routes.
- (h) The potential for increased risk to bystanders by confronting a suspect or taking action.

### **342.3.1 INTERVENTION PROCEDURE**

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. If possible, the dispatcher receiving the call should be provided with a description of the off-duty officer from the caller and the dispatcher should broadcast that information to responding officers.

Whenever practicable, the officer should loudly and repeatedly identify as an officer with the Missoula Police Department until acknowledged. Official identification should also be displayed when possible.

---

#### **342.4 CONSIDERATIONS**

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case the non-uniformed officer is working in an undercover capacity.

##### **342.4.1 CIVILIAN RESPONSIBILITIES**

Civilian members should not become involved in any law enforcement action while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

##### **342.4.2 INCIDENTS OF PERSONAL INTEREST**

Department members should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances members should call the responsible agency to handle the matter.

#### **342.5 REPORTING**

If prior notification to the appropriate local law enforcement agency is not reasonably possible before taking action, the officer shall notify the agency as soon as reasonably practicable. Officers shall cooperate fully with the agency having jurisdiction by providing statements or reports as requested or as appropriate.

Officers shall notify the Shift Commander regarding any law enforcement action taken while off-duty. If the reported action occurred within the local jurisdiction, the Shift Commander may send a supervisor to the location. The supervisor may request assistance from the Office of Professional Standards, if deemed appropriate.

The Shift Commander shall determine whether a crime report or an administrative report should be completed by the involved officer.

Nothing in this policy shall supersede the officer's constitutional rights.
